

CDA Logo Contest

Old

New

Get your creative juices flowing and you could be the winner of a Weatherby Vanguard Synthetic rifle by submitting the best new logo for the California Deer Association. We are looking for a new logo to represent CDA and replace the longtime logo pictured to the left.

The winning entry will be selected by the CDA Board of Directors in January 2012. All rights to the winning logo will become the property of the California Deer Association. Entry deadline is December 31, 2011.
